

Omaha Coalition of Citizen Patrols (OCCP)
(updated April, 2015)

Patrol Item Listing

NOTE 1: This listing is not all inclusive and is subject to change without notice. It is intended to assist Patrols in determining material costs during grant submission development. It also is not intended to be a mandate – if a Patrol can present a better item at a cheaper cost, then that information is solicited.

NOTE 2: This listing was developed by Garry Gernandt, Deer Park CP and William Hanes, Spring Lake CP. The Director's Listing can be accessed to determine contact information.

NOTE 3: Sales tax and shipping costs should be considered in computations.

15. GPS Unit
- Price ranges are \$100.00 - \$200.00 at Best Buy, Walmart, etc. Care should be taken to ensure lifetime map updates are part of the buy.

NOTE: It is highly recommended that Patrols consider adding the following items to their Patrol Kit: Set of screwdrivers, hammer, storm proof matches (Canfield's at \$3.99), drinking water, flares, CPR face mask (The Cure can add to first aid kit), clipboards, paper, pens/pencils. The majority of these items can be purchased at most retail outlets at a reasonable cost.

Motorola discontinued selling the XTS1500 in 2015 and replaced it with model ATS1000. Motorola will continue to repair the model XTS1500 if the need arises.

Digital Voice Recorders are a good tool to enhance documentation. This would become evident during court testimony.

GPS units are a good tool to enhance patrol routes and emergency evacuation situations.

The inclusion of the OCCP logo on safety vests should be seriously considered.
